You will be welcome. But Judge Mon
or Allen. Judge M is just as stiff
a democrat as ever. Allen & James
are very much tired about the cause
he takes. Em and I are disappointed
about going to Warners this after-
noon so I shall send this by the first
opportunity to the office & wait
until my next to inform you
about any call & you make any

I can Husband and Children

Your last, I got while I
was at Mr. Pecks. I will tell you
what I did for you while there.

Ann Peck got a letter the same
afternoon from a cousin of hers from
Pittsford. She has been a member of
the Chori in that Church for years.

She insisted that I should write
a few lines to her so I did inquiring
~~whether there was a reason there~~
or not & asking if Father Plumb
was living there or not. If he was
I referred them to him for a description
of you. Ann was a going to finish
the letter & tell her what she
pleased. Ann wants you to come
to Pittsford and go and stay with
Eunice Embury. She lives in Penfield.

6 miles from Pittsford I am
thought she would get an
answer the last of this week. I sent
your address to Miss Anna Thibbitts

I do not feel as tho it would
be doing wrong for you to leave D
even if that house is vacated by the
first of August. If you could come
to Pittsford & stay a Sabbath & then come
here or if you need to stay longer
send Clara to me by the conductor
if Gertrude does not see fit to come
I could get her at Warrens or Camillus
or Syracuse I expect to go today to
call on Miss Inglesby if she is at home
brothers I will write to Gertrude any
information I may get from her.

The old friends all seem interested
in your affairs your board would
not cost you any thing for a month
I have got off 50¢ left it would be
some thing for spending money until
you could get more

Mr Bacon is away so that he
can do nothing for you now Two
months ago he was very anxious that
Em should write to you to come on
immediately He even talked of writing
himself but she could not tell him
where to direct. There is to be a
great Sabbath School Convention
in Syracuse about the middle of
August Mr Bacon intends to be
home before that time. It will
be a good time to find an opportu-
nity for you Perhaps you remember
that Em wrote to you at Sudbourn
about Mr Sherwood meeting her on
the St in Syracuse & inquiring after
you It was Gaylord Sherwood of
Camillus instead of Res Sherwood
as we thought Em says he seemed
so very friendly & made a great
many inquiries about you and all
our family I said he should write
to you He told Em that he had
